

Khatib & Alami Holding SAL, along with our subsidiaries and sister companies ("Khatib & Alami", "K&A", "we", "us", or "our"), uses cookies and similar technologies to improve how our website works, understand how visitors use it, and support a better browsing experience.

This Cookie Policy explains what cookies are, how we use them, and how you can manage your preferences when visiting khatibalami.com ("website"). It should be read together with our Privacy Policy, which explains more broadly how we collect, use, and protect personal data.

What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help the website remember certain information about your visit, such as your browser settings, preferences, or how you interact with specific pages.

Cookies may be set directly by K&A ("first-party") or by third-party service providers that support website functionality, analytics, or embedded content ("third-party"). Cookies may also be "session" cookies, deleted when you close your browser, or "persistent" cookies, which remain on your device for a set period.

Types of Cookies We Use

Strictly Necessary Cookies

These cookies are required for the website to function properly. They support core features such as page navigation, security, form submissions, and access to secure areas of the website.

These cookies cannot be switched off through our website because they are essential to its operation.

Performance and Analytics Cookies

These cookies help us understand how visitors use our website, which pages are viewed most often, and how users move through the site.

The information collected is used to improve website performance, content structure, navigation, and user experience.

Functional Cookies

Functional cookies allow the website to remember choices you make, such as language preferences, region, or display settings.

They help create a more consistent and personalized experience when you return to the website.

Marketing and Third-Party Cookies

Where applicable, we may use cookies to support relevant communications, measure campaign performance, or enable embedded content from third-party platforms, such as videos, social media features, or external job platforms.

These cookies may track your activity across websites, subject to your consent and applicable laws.

Retention: Strictly Necessary cookies typically expire at the end of your browsing session.

Functional, Analytics, and Marketing cookies are retained for no longer than 12 months, after which they expire automatically or are refreshed on your next visit, subject to your continued consent.
